

MESSAGE

FROM THE PRINCIPAL'S DESK

I feel immense pleasure to present School Almanac for Session 2017-18 to our students. It is very important tool not only for the students but for the teachers and parents also. It is Manifesto of the school's Philosophy, Mission, Vision, programmes and activities of the school in the current session. It will provide all relevant information regarding rules and regulations of school, celebrations, competitions and activities in the school. Home Work/Class work/Project work record pages have been given along with weekly tests' performance Records pages. The system to be followed in the School Calendar of Activities, Action plan and Annual Calendar at a glance are also given for the sake of preparing students well in advance.

One can dream, create, design & build wonderful place in the world but it requires people to Transform that dream into reality. At Delhi Public School, NalcoNagar we embellish children grow beyond their dream. We forever Endeavour to make our students' educational experience Rich and sound. Since the inception of Delhi Public School, we have taken a quantum leap towards many new initiatives. We offer wide – ranging educational experience, moral & spiritual development, imparting sound knowledge and a memorable schooling experience. Education is achieved. It is not received. It is a unique investment which gives a rich dividend. 'Creating better human beings and bringing excellence' is our motto and we can do that only when we are able to mould our students to be good human beings with values that are Embedded for life. We aim to nurture the talents, skills, and abilities of each student and provide them with a platform to think, express, and exhibit their skills so as to empower them to negotiate several issues that confront them, with the teacher being a facilitator. As per academic performance, the students have passed the X & XII Board Examination with flying colours. Our well equipped classrooms, Compute lab, Science laboratories, Music and Art Rooms and the Library with the large collection of books of are the center sources of each child's overall development.

Our approach to learning is child-centric, and learner centered encouraging activity based learning and inculcating a scientific temper and a spirit of free enquiry. In our curriculum, every student is the central factor of development, and each child is involved in the learning Processes. We encourage the child to develop in their special field of interest so as to best showcase their latent talent and grow to their full potential.

Having hand in hand with the parents, let's step ahead to shape the future of each child through effective communication and proper coordination with the help of this Almanac.

Dr. B. K. Mishra
Principal

“ Men's best successes come after their disappointments.”
