“SERVICE BEFORE SELF”

This means that we serve others willingly, graciously and selflessly,
We should not expect anything in return for our service,
Because there is greater pleasure in giving than in receiving.
By serving others we serve God.

The motto of DPS is a reflection of its ethos and a desire to usher in a new era of knowledge with a belief that every child however different has the right to education

The motto is the vivid reflection of the mettle that goes into the making of an institution or organisation . Our motto is a constant reminder that the welfare and safety of others always comes prior to our own welfare, comfort and safety. We must clearly understand the saying of the Bible, “Thy need is greater than mine”.

“ Talent wins games, but teamwork wins championships. “
